[illegible]llution Knows No Boundaries As Imperial Palace Reports Affliction

TOKYO.—By all signs Tokyo is the world champion [illegible] pollution.

Tokyoites have long thought that the only place [illegible] you can breathe clean air in the metropolis is [illegible] moated and wooded Imperial Palace.

But a series of recent events have proved that they [illegible] wrong. The last pollution-free stronghold is in [illegible] of being engulfed in the ever-spreading air [illegible] of the capital city.

Newsmen assigned to the Imperial Palace now re[illegible] that mysterious maladies began to assail pine [illegible] and Japan cedars in the sanctuary, too, a few [illegible] ago.

They, however, did not realize how serious the air contamination in the palace area was until a heavy accumulation of oxidants attacked Tokyo one day in July.

On that day more than 10 workers complained of stinging eyes for several minutes in the East Garden of the palace while a sudden onslaught of oxidants sent hundreds of Tokyoites to hospitals for treatment of throat and eye afflictions.

Later it turned out that six other workers suffered from similar cases of stinging eyes [illegible] same garden a few days before the incident.

Hirokatsu Awasawa, the palace's chief [illegible], says, "At the time when more than 10 workers were troubled with stinging eyes, there were some [illegible] tourists strolling in the same garden. But they were not afflicted. So I doubt if there was a real connection between the affliction and the oxidants."

But many pollution experts agree that the palace workers were among oxidant victims.

Officials of Tokyo's Environmental Disruption Research Center were terrified at the thought of the Emperor taking a walk around outside his office at that time.

One of them says, "Oxidants tend to attack residential areas where there is not much traffic. The Imperial Palace is thus an easy target of the new air pollution."

If You Think Kids Are Ungrateful Today - Read This

By SEN. DANIEL INOUYE

WASHINGTON.—A few days ago, I met the angry face of my dear friend, a successful attorney who had just celebrated [illegible] birthday. His eyes darted with rage as he condemned [illegible] youthful generation for being ungrateful for all the advantages [illegible] upon them. After recounting stories of the newspapers he [illegible] and the dishes he washed to get through college, he declared [illegible] kids have nothing to complain about. They should be grate[illegible]

While there is no doubt that we, the elders, were denied many [illegible] luxuries taken for granted by today's youth, I couldn't help [illegible] remember that the days of our youth were happy and full. [illegible] were lucky. In spite of the fact that we may have had only [illegible] pairs of shoes during our entire childhood, we did lead happy [illegible].

We had our favorite swimming holes with crystal clear water. [illegible] are the swimming holes today? Most of our rivers are [illegible] as [illegible] beds of disease while many of our beaches are [illegible] by sewage and waste. We had natural playgrounds — [illegible] forests and grassy fields. Where are these recreational [illegible] now? They are covered by concrete highways and huge [illegible] developments constructed to meet the needs of an ex[illegible] population.

The days of our youth were happy ones because we did not [illegible] pressures — pressures of war and survival. [illegible] the explosion of the atomic bomb as were [illegible] children who from their birth have hardly [illegible]. We did not sit through our high school com[illegible] anticipating the receipt of an unwelcomed [illegible] from the Draft Board. We grew up without the threats of [illegible] and casualty lists.

[illegible] was a far cry from the emotional turmoil [illegible] of our young men who, in the hope of receiving [illegible] the draft through the 4F route, have [illegible] cheating a little by prevailing upon their [illegible] the assistance of their parents, to exaggerate [illegible]

Nayoro And Lindsay To Become Japan-Canada Sister Cities

LINDSAY, Ont.—The Ontario town of Lindsay and the Hokkaido town of Nayoro have decided to become "sister" cities. Although geographically and culturally worlds apart, they decided to bind together in an effort to do their share in bringing about better understanding and harmony in the world.

Mayor John E. Eakins of Lindsay, who was royally welcomed in Nayoro on his Japan visit this year, has announced that October 19 to 24 be declared Japan Festival Week. Oct. 24 was declared Japan Day.

One of the main participants for this event requested by the Lindsay twinning committee is the Toronto Japanese Canadian Cultural Centre.

The Centre has agreed to assist in a special 2 hour binding ceremony program on Saturday, October 24th in Lindsay.

"We are giving this event our full support," said Bob Kadoguchi, Managing Director of the Centre.

He requested that two busloads of Centre participants, numbering between 60-70, will head for Lindsay from the Centre. Choral singing, tea ceremony, brush painting, flower arranging, odori and Japanese martial arts are expected to provide a varied program for the Lindsay audience.

Tor. Sansei, 15, Drowns In Balla Lake

TORONTO.—A Toronto Sansei, Edward Nakashima, 15, of Cosmo Road, Islington drowned last Saturday, October 10th in G[illegible] Home Lake, 15 miles west of Balla, Ontario.

Police said he apparently fell from the dock of the family cottage.

He was the son of well known Toronto dentist Dr. and Mrs. S. E. Nakashima.

Dr. Miyazaki Named Freeman Of Village Of Lillooet

LILLOOET, B.C. — The testimonial dinner tendered Dr. and Mrs. M. Miyazaki at the [illegible] Community Hall recently was attended by 125 people, and was [illegible] to be one of the most successful and [illegible] of its type held here [illegible] years. People [illegible] private chat with their old friends [illegible] after dishes and silverware [illegible] were clinking in the kitchen. The roast beef dinner had been catered by the St. John's Altar Society, a small group of women who make up in enthusiasm and ability what they lack in numbers. The serving of the meal and the clearing up, however, was [illegible] a community effort with everyone pitching in. The food was served quickly following the seating of the entire hall.

The dinner was hosted by the Lillooet Lodge of the BP O Elks with Exalted Ruler Bob Vail in the chair. Dr. Miyazaki is a charter member of the Elks, and has been their invaluable secretary-treasurer for many years. Mrs. Miyazaki was likewise a charter member of the Order of the Royal Purple, though she dropped out as an active member several years ago. Co-host with the Elks was the Corporation of the Village of Lillooet, with His Worship Mayor Johnder Basran and Mrs. Basran seated with the couple at the head table. The mayor, on behalf of the municipal council, conferred on the guest of honor the Freemanship of the village of Lillooet.

There were short speeches and gifts for the guests of honor. From the village, a silver tray. From the Elks, a beautiful replica of the Mile Zero post in polished native rock, and a bouquet of white and red carnations for Madame. From the Indian bands, beaded necklace medallions. From the United Church people, an oil painting recapturing the familiar scene of the church they attended during their residence in Lillooet. A guest book was kept, signed by everyone in the hall [illegible]

Masukawa, Higashi, Ariza, Omoto Win Japanese Canadian Golf Team Classic

By GLEN KATSUYAMA

TORONTO.—The last tournament of the year has traditionally been the Turkey Sweep and traditionally it has been poorly attended as Nisei golfers seem to go into early hibernation after the Labor Day tournament. In order to inject some interest into the last tournament of the year, the J.C.G.C. Committee revived the 4 man best-ball tournament. The teams were made up of golfers from all three flights which gave the "C" and "B" flights a chance to play in the company of an "A" flighter. There were also individual prizes to be won.

Bob Masukawa lead his team of Gene Higashi, Sam Ariza, and T. Omoto to victory at 11 under par. There were 5 teams tied at 10 under par but only 4 teams got prizes as there were only 5 team prizes. The team of Bob Kimura, Oscar Hatashita, Paul Nakamura and Geo Shishido came in second. Third place went to the team of Al Masukawa, Glen Katsuyama, Toki Toyama, and Slugger Ono. Fourth place was taken by Jack Shigetomi, Mitch Ashikawa, Shig Okada, and J. Sato. Fifth and final place went to Tom Yamamoto, S. Tsukumoto, Geo Nishimes and L. Smith. The team that missed out was made up of Howie Nakamura, J. Flynn, J. Miyazaki and Carl Uchikura.

There was one other team at 10 under par but a check of their score card showed that they were only 9 under par. Too bad.

The individual title was taken by Glen Katsuyama with a net 65 (79-14). Howie Nakamura took low gross with a 76. Other prize winners were Frank Wakida, Nick Carter, John Fujiwara, Art Watanabe, Don McKay and Shig Okada.

The tournament was a great success and quite a change from previous years.

19th Hole:

One guy who deserves a lot of credit is Min Hagino who showed up by himself to take on the entire field. Rest of his team couldn't make it.

Before you put your clubs away for the winter there is one last tournament, the 4th Annual J. C. Classic promoted by Al Masukawa. It will be held on Sunday, October 18th at the Rouge Hills Golf Course. Phone Al at 757-0042 for starting times.

Something which all you J. C. golfers shouldn't miss is the Gigantic Golf Equipment and Accessories Display and Sale at the J.C. Cultural Centre on Saturday, November 7th starting at 2:00 p.m. Items such as Titleist golf balls will be sold at just ... cost. Accessories such as sweaters will go for 50 ... and Hagen ... shoes at greatly ... prices. There will be ... fitted ... and golf ... Do your Christmas shopping early ... for the next golf season. Yamada & Japan Win Opening Game

By AL SHISHIDO

TORONTO. — The Canadian Japanese Hockey League opened its 1970-71 season with Yamada Studio defeating Urabe Insurance 4-3 and Japan Camera outscoring Dufferin Cleaners 2-1.

Yamada's victory over Urabe was led by Roger Inamoto with two goals. Bud Madokoro dug the puck out from the corner to set up Roger's first goal.

On his second goal he took a pass from Wayne Kimura and circled the net before tucking it home. Ray Suginomori scored Yamada's third goal on a good second effort with Garry Tanaka assisting. Al Shishido scored the final Yamada goal from Dennis Ohashi.

Brian Yasui scored Urabe's first goal as he wrapped home Gen Hamada's rebound from the point.

Sam Tanaka scored the second Urabe goal as he rifled a shot past Andy Knox. Andy came up with an unbelievable save on ever dangerous Gen Hamada as he broke in al. alone on the Yamada goalie. This turned out to be a big save as Dan Kaji scored a few minutes later to make the final score 4-3.

In the second game, there was no scoring in the first two periods with both goalies, Richard Matsumoto of Japan Camera and Mat Nakamura of Dufferin Cleaners, coming up with big saves.

Ian Akiyama opened the scoring for Dufferin as he lifted Daley Baba's rebound high into the open net.

Dave Mitabe started the play for Ian's goal. Rick Inamoto tied the game for Japan Camera with Ron Kitamura assisting.

Paul Uchikata scored the winning goal for Japan as his quick shot caught the top corner of the net giving Mat no chance at all. Paul Sugahara passed the puck out from the corner to set up the winning goal.

Schedule: George Bell Arena, October 18

万能の草・シソ その葉と實

梅月生

夜露がしげくなつたと思つたのもついこのあいだのこと、秋は日々にふかまつて行く。それを私はうちの窓、そしてカヤを隔てた空地の畝にみる。（ここはパートということになつているが、まだ殆んど手入れはされていない。）一本だけ、毎年のようにほかの木に先きがけして紅葉するメープルと、ハゼに似た葉をもつ灌木（スーマック？）が緋色の葉を、遠見には赤もうせんを敷いたようにもやす一とかたまりのカン木のやぶ。

手入れが行き届かぬまま放題の"雑草園"。それらにまじつて穂をつけ実を成らせはじめた紫蘇（シソ）、野菊にちかいピンク色の小さな花を草むらの中からのぞかせ、芳香を放つて咲きそろつている小菊の横には秋大根が緑の葉を露にぬらして「一夜づけはいかが」と呼びかけている。——こんなのんきなことを書いて「雑草」を育てるのをほこるわけでは決してない。それに時期も少し失したのであるが、来る年のために、こうした野菜のつけものなどに関心を持つ人の参考までにここにはシソについてあれこれと記しておくこと

日本に「健康茶」というものがある。ハトムギが五〇％、その他にゲンノショーコ、ハブソウ、柿の葉、チンピ（みかんの皮）、茶、それにシソも加えた七種類混合の「お茶」である。何れも薬草類であるが、このうちシソは、葉は腸カタルに殺菌力があり、実はリノール酸が動脈硬化の予防に役立ち、くきや根は刻んで保存し冬季の浴料にする、と薬草の本にあり、前記の健康茶の効能書きには「シソの葉は日本では昔から食中毒の毒消しに使い、食欲のない人、カゼ引きの薬に使つたものであり、漢方薬では神経を休め気分を開き心を爽やかにすることに用いられるが現代人に多い神経からの病気予防にかかせないもの」だと述べてある。

能書きはこの位にしておいて「食べ物」としてのシソの講釈（半分は借り物）を少しばかり並べてみようか。シソは栽培するというほどの面倒さはなく一度種子をまいておけば毎年ひとりでに生えてくれるという重宝なもので、新芽から実を結ぶまで毎日の献立てに使つて妙である。

▽シソの実（穂）のつくだ煮——醤油、酒、ミリン（ブラウン・シュガーかザラメ又はハネー使うがよかろう）を少し加えたものをシソの実にかけ、休みなくかきまぜながら煮つめる。冷えたらビンにつめ冷たい所におく。

（煮る時ブランデーを少し加えるとカビる気使いがなくなる）

▽シソの赤づけ——シソは枝ごときれいに洗い流して葉をもぎとり、容器に入れて塩をふりかけてもむと黒ずんだ汁が出る。それをさらによくもんで赤い色に変つてきたら、その汁はすてて材料をかたくしぼる。それを容器に入れ梅の白酢（梅づけの汁）と塩を加え押しぶたをきちんとして保存する。

▽シソの実漬け——よく実の入つたものを選んで水洗いし半日ほど水切りした上で、梅づけの汁、赤トーガラシの粉、塩をシソの実にまぜてからませ、よく合つた押しぶたと小さな石をのせ、厚紙をかけて保存する。

（梅の白酢のないときは食酢を代用してもよく、穂ジソのままのを一緒につけておくとツマミ物として結構）

（これはイナリズシのつめ物としておいしくいただける）

（シソの実をみそづにしたい時は、いつたん塩ぬきしてから袋に入れ、みその中につけこむ）

▽シソの葉ミソ漬け——ふたつきの容器の底にミソをしき、ブラウン・シュガーを… くるくると巻いて並べる。その上にまたミソを薄く敷き砂糖をふつてシソの葉を巻いて並べる——をくり返し、ふたをして涼しい所に貯えておく。

▽シソの実のミソ漬け——ミソとブラウン・シュガーをスリバチですり、それにシソの実をまぜてビンづめにする。

やはり涼しい所に貯蔵しておき半年もたつたらシソの実の歯ざわりと香りの双方を楽しめる。シソの実でも葉でもミソづけは一般のミソづけ同様に長くおくほど良い味となるであろう。

カナダと中國が外交關係を樹立

六カ月内に大使交換を行う

【オタワ】シャープ外相は十三日下院議会で、カナダと中共は外交關係を樹立することに同意し、六カ月以内に大使を交換すると發表した。外務省及び通商省代表は今週末北京に向い、カナダ大使館設立の準備を行う。（カナダは三カ月以内に大使館を開設するはず）

ストックホルムでカナダ・中共による「承認問題」交渉は二十カ月を要したが遂に同意に達し、カナダの中共承認が実現したわけで台湾に關しての觀點は、台湾の領土権は中國のみの問題で、カナダは中國本土の政府を認めるという意見を押し通してきた。

モラン駐日大使は十三日外務省に森次官を訪ねて中共承認、大使交換を正式に通告した。

日本政府はカナダの中國承認で、日本の中國政策を再検討する考えはないとしている。一方、在オタワの國府大使館、在バンクーバーの總領事館は、カナダと國交を斷絶して引揚げることになり、國府大使は十三日オタワを出發、歸國の途についた。

関連側も歓迎

【國連】ウタント國連事務總長は十四日、カナダの中國承認の決定を歓迎し、國連總會に中國の参加を強く促りした。國連側ではカナダと中國國係が改善されることは當然の喜びであるといっている。

軍隊が首都警備

政府、各層要人の身辺を保護

【オタワ】駐加英外交官とケ州労働相を人質にしたクベック解放戦線テロリストに備えて、オタワ政府當局は首相以下各大臣並に議員及び第三國外交官の生命保護と家族の安全を守るため十三日早朝、約五百人の武裝軍隊の出動を命じた。

首都の要人警備に軍隊が出動したのは今回がはじめて。輕機關銃を持ったゲリラ作戦の訓練をうけた軍隊は總督、首相、各大臣、第三國外交官公邸などを警備し一部は議事堂内に立ち入って物々しい情景をかもし出したが、野黨から反對されて、議事堂警備は中止され、外面だけの警戒網が布かれている。

當局は人手不足のマウンティーの警戒を補充するための軍隊出動だと説明しているが、各州の大臣らにもマウンティーの護衛がつくというさわぎになっている。

人質引渡し要求

ク州代表交渉者が先決條件に

【モントリオール】二人の人質釋放について、ク州の解放戦線のキッドナッパーとの交渉者に選ばれたロベア・レミユー弁護士と、ク州政府の交渉代表に任命されたロベア・デマース弁護士は今週初会談を行ったがそのさい政府側交渉者は具体的な交渉に入る以前に、両名の人質を無事釋放することを保證しない限り、交渉を進めることはできないとの強い態度を示した。

これに對し誘かい者側の代表者は『私に與えられた權限は要求六カ條についての交渉のみで、人質釋放については代弁する權利はない』とし、誘かい者からより強い交渉權利を與えられないのであれば、交渉代表を辭任する他ない、といっている。

台北は悲観

【台北時事】十四日の臺北の各新聞はカナダの中共承認、國府のカナダとの斷交について一面の半分（殘り半分は廣告）および二面の多くをさいて報道、社說でカナダのツルドー內閣を非難した。一般國民には友好國がだんだん少なくなってきたことへの淋しさがあることは否定できない。

テロ撲滅

ツルドー首相

【オタワ】ツルドー首相はク州テロ團のテロ行爲を終止させるつもりだと今週記者團に語り『彼等に同情したり、心を痛める者があれば、まつきとそうすればよい』と語氣荒く、テロ團撲滅を契った。

また首相は軍隊出動は行きすぎではないかとの質問に『我々の社會を保護するためにはどんなことでも敢行するつもりである』と答えた。軍隊による治安維持は國民から選ばれた代表者の生命を保護することで當然すぎると述べた。

現實主義のよい方針

社說で中國承認讃う

カナダ・中國承認、現實主義の世界に與える教訓」と題してカナダ有力朝刊紙『ザ・グローブ・アンド・メール』は十四日要點次の社說をかかげた

△カナダと中共間のながい交渉が遂に成功裡に妥結した。台灣政府を牛耳る蔣介石が中國七億の人民の將來を決定するという空想はカナダにとってもはやそう外交方針になんら關係のないものである。

△現實的なこの承認はカナダ國民にとり、また選挙前から北京接近の方針をとってきたツルドー首相にし[illegible]の決斷は國際外交に大きな影響を及ぼすことになろう。

△米國は表面上は遠い顔でするが、高官筋には米國の對中國接近にカナダの決定はよい道標を與えたとしていることは見逃せないし、イタリー、ベルギー兩國が中共承認のチャンスを待つているのに對しても好影響を與えるものである。台灣[illegible]ナダの外交方針によいチャン[illegible]

△[illegible]中國と[illegible]文化交流もふえてくるし、兩國間の連絡も道が切り開かれたことはよいことだ。殘念なことはカナダ大學が中國語コースを積極的に行っていないことである。

政治誘かいは死刑にせよ

【オタワ】保守黨議員ロバート・トムソン氏は政治的誘かいは死刑にする犯罪法の修正個人案を近く議会に提出する。トムソン議員は『警官を殺害した者は死刑にされるが、更に政治的誘かい者も死刑にすることをふくめるべきであり、目下修正草案を作成中である』と語っている。トムソン議員の修正案にはかなりの支持者がある。

戰時令を考慮

中央政府

【オタワ】オタワ内閣安全保障委員会は十四日夜緊急会議を行い、ケベック州における誘かい事件の危機に對處するため、戰時令の發布について三時間半にわたり協議した。同委員会の決定は全閣議にかけて更に討議されることになった。

戰時令を發布することにより、ケベック州のテロ容疑者の住宅捜査又は逮捕の自由を司法當局が警官に與えることによって、人質の釋放をできるだけ速かに行うというものであるが、戰時令を宣布することで國民から反感を買う恐れがあるとして、一時その考慮は斷念されていた。

しかし人質の釋放見込みも立たず、テロ團の今後の跳躍も增大しそうな形勢にあるので、オタワ政府は捜査と逮捕權を警官に無制限に與える爲には戰時令を用いる他ないとの結論に達したとされるにいたっている。

St. Andrew's JC Congre. Expresses Appreciation

TORONTO.—St. Andrew's Japanese Anglicans express gratitude to the people of St. James' Cathedral Church, Toronto, Ont.

The period of World War II was a time of trial for the Japanese Anglicans in British Columbia.

In the midst of the many difficulties in finding work and [illegible] during the evacuation to Eastern Canada, the Japanese [illegible] were eager to seek spiritual comfort and encouragement.

In 1944, a handful of the Japanese Christians in Toronto received Holy Communion from the late Rt. Rev. H. J. Hamilton, [illegible] Bishop of Mid-Japan, in their own language in St. George's [illegible] of St. James' Cathedral, the mother church of the Diocese of Toronto.

This was the beginning of the St. Andrew's Japanese Anglican Congregation.

We celebrated the twenty-fifth anniversary of our congregation in September, 1969, praising the Name of God for His [illegible].

We express our heartfelt gratitude to the Rector, Church [illegible] and Congregation of St. James' Cathedral for their [illegible] Christian love and witness.

Japanese Selling Hair Clippers For Nostrils

TOKYO.—Already nearly [illegible] Japanese living in smog-ridden cities have bought a tiny battery-powered instrument, invented in 1968, which trims hair in nostrils.

Most people break out in laughter when they hear of this novel product, but it is no joke to the Japanese who buy it.

Nature provides man with multiple safety measures. It is believed that air pollution causes hair in the nostrils to grow faster than normally, thus constituting a natural protection against impurities in the air.

Anthropologists have long been aware that wax in the ears of Japanese is much harder than in Caucasians, but nobody seems to have compared the growth and thickness of Japanese vs. Caucasian nostrils.

Apparently the hair in Japanese nostrils is thicker, and when such growth is hastened by air pollution, it causes so much discomfort that it often interferes with breathing. So more and more Japanese are finding it necessary to trim nostril hairs.

The Minicut, as the instrument is called, is manufactured by Mitsui Electric Co., and is sold in department stores for 1,200 yen ($3.33). It is operated by placing the [illegible] into the nostril and pressing a button. The cutter whirs and trims nostrils neatly in a matter of seconds.

Inasmuch, however, as nature provides hairs as a protection in the first place, the inventor of the Minicut designed his instrument to trim only the ends of hairs, leaving a short growth [illegible] the skin [illegible] to provide the necessary protection against impurities in the air.

Pollution . . . (cont. from page 1.)

Oxidants aside, palace workers report that a strange blight has already begun sweeping over the palace, fast stripping leaves from trees, especially in the East Garden.

And palace authorities have recently released a shocking report of air pollution in the imperial sanctuary.

Without fanfare palace technicians set up 23 sulphur-dioxide detectors all over the palace in 1966.

At that time the machines recorded an average sulphur-d'oxide level of 1.52 milligrams per square meter per day.

Officials were shorked to learn that the figure was the same as the sulphur-dioxide level in Tokyo's Ohta Ward which has a heavy concentration of large factories.

But the pollution level further rose to 1.56 milligrams per square meter per day two years ago. The figure rivaled the pollution index marked in Arakawa Ward where clusters of small and big factories belch fumes all day.

Chief sanitarian Awasawa says with a sigh, "You could enjoy the starriest sky in Tokyo right here in this palace just until a few years ago. But no more, no more of that beautiful sky . . ."

How is the Emperor who will be 70 next year doing in the air-polluted palace grounds.

The Emperor makes it a rule to take a 30-minute leisurely walk from his residential quarters to his office every morning.

"His Majesty's residential quarters are located in the midst of the best surrounddings available in Tokyo from the sanitarian viewpoint," insists a spokesman of the Imperial Household Agency.

He points out that the residential quarters are surrounded by thick woods and equipped with both ventilation and air-purification facilities.

"His Majesty's residential quarters are absolutely free from air pollution and even traffic noise," he emphasizes.

Despite the spokesman's insistence, palace officials are apparently worried about the effect of polluted air on the health of the Emperor.

The Imperial Household Agency has quietly planted more trees inside the imperial moats in the past decade.

And recently the agency has begun replacing air pollution-prone pines and cedars with pollution-resistant camphor trees and other broad-leafed trees.

Against this backdrop rumors have got around in the metropolis that the Emperor might desert the Imperial Palace and spend the rest of his life where the air is clean.

The rumors were apparently touched off by a casual statement by a high official of the Imperial Household Agency. He said to reporters in effect that the Emperor had better spend as much time as possible in his villas in the countryside regardless of the season. At that time the Imperial Family was taking its customary summer vacation in the villa in Nasu in Tochigi Prefecture.

His statement coincided with the construction of the Emperor's new seaside villa in Shimoda on Izu Peninsula.

The new villa is to be finished in September next year on a vast green tract—38 hectares in all.

A palace spokesman, however, hotly denied the rumors as being "absolutely unfounded."

He says, "It is true His Majesty is looking forward to the day when the new villa in Shimoda is completed.

"But this is mainly because His Majesty will be able to continue his study of marine life in the Bay of Sagami.

"Besides, how could His Majesty move to Shimoda leaving the people of Tokyo to suffer from pollution afflictions."

Miyazaki . . . (Continued From Page 1)

Ambulance Committee and the Scouts and Cubs had been made in the summer. And there were speeches.

Seldom do so many people find it so natural to combine efforts for a citizen who has spent a full quarter of a century with them upon departure has such genuine friendship shown him by so many. A testimonial dinner, a handsome array of gifts, a dozen fellow Villagers expressing their own brand of praise, and the highest honor the Village of Lillooet could bestow, the naming of Dr. Miyazaki a Freeman of the village. All this was showered on this very modest and unassuming gentleman.

The hall was gay with people, good will and love of fellowman, some sixteen guests sat at the Head table. Angus Murray of the Elks acted as Toastmaster and chairman, and was assisted in the programming by Robert Vail, Exalted Ruler. Responding to the invitation to speak for various groups were Gordon James for the Lillooet Bands Council, Mrs. Gordon Kline for the Royal Purple, Wm. Fowler for the Boy Scout movement, and John Franson for the Ambulance Society. Margaret Murray congratulated Dr. Miyazaki on his FREEMANSHIP and welcomed him to the distinguished honor role.

Dr. Miyazaki who was forced to suddenly retire from his practice here, looked frail and would return soon to Kamloops where he is near a treatment centre which keeps him alive. Just turning seventy one, with attention to his health, he says he has a good chance to live to a ripe age. Long or short, this kindly humanitarian won his place in society and in the hearts of the people he served by giving more of himself than he could possibly receive and the spontaneous response from the large assembly had the warmth that proved it came from the heart.
